

Belt Sander

PBS 75 A

Highly efficient sanding with high comfort

[Go to product](#)

Key product features

- Effective sanding – powerful 710 W motor delivers a high material removal rate
- Manageability – compact with removable auxiliary handle for optimal handling
- Convenient – automatic belt system keeps belt centred during operation
- Microfilter System box reduces dust for a cleaner working area
- Ideal for sanding larger flat areas on a range of materials from wood to metal

Other product advantages

Comes complete with

- 1 sanding belt K 80

Part number: 06032A1040

EAN code: 3165140739368

Belt Sander

PBS 75 A

Technical data

Power input: 710 W

Belt speed: 350 m/min

Sanding surface: 76 x 165 mm

Belt dimensions: 75 x 533 mm

Machine weight: 3,4 kg

Noise / vibration information

Measured values determined according to EN 60745.
Total vibration values (vector sum of three directions).

Vibration emission value ah: 3.5 m/s²

Uncertainty K: 1.5 m/s²

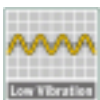

The A-rated noise level of the power tool is typically as follows: Sound pressure level 93 dB(A); Sound power level 104 dB(A). Uncertainty K= 3 dB.

Functions

Power input

710 watts

Bosch Low Vibration

Maximum running smoothness for safe working

Automatic belt system

Exact positioning of the belt when sanding

Bosch micro filter system

A clear view of the sanding surface, and a clean work area

Additional handle

Safe guidance when sanding

Functions

Micro-filter system

Automatic belt system

Sanding belt clamping system
