

Digital Laser Measure **PLR 40 C**

Your measuring results at a glance!

[Go to product](#)

Key product features

- Precise measurement of distances up to 40 m with laser technology
- Conveniently document measuring results via Bluetooth with the Bosch PLR measure&go app
- Equipped with a high-quality colour display for optimum readability of the measuring results
- Easy calculation of distances, areas and volumes thanks to integrated measuring functions
- Measuring from front and back edge
- Compact tool design – fits in any pocket
- Continuous measurement mode with min/max function
- Addition and subtraction of measuring results

Other product advantages

- Easy calculation of distances, areas and volumes thanks to integrated measuring functions
- Measuring from front and back edge
- Compact tool design – fits in any pocket
- Continuous measurement mode with min/max function
- Addition and subtraction of measuring results

Comes complete with

- Protective case
- 2 x 1.5 V LR03 (AAA) batteries

Part number: 0603672300

EAN code: 3165140814409

Digital Laser Measure

PLR 40 C

Technical data

Laser diode: 635 nm

Laser class: 2

Measurement range: 0.05 – 40.00 m

Measurement accuracy, typical: ± 2.0 mm

Measurement time, typical: 0.5 s

Measurement time, max.: 4 s

Battery: 2 x 1.5 V LR03 (AAA)

Automatic deactivation: 5 min

Weight: 0,08 kg

Functions

Laser technology

Maximum precision when working

measure&go app

Easily send measured values to your smartphone or tablet via Bluetooth and document them

Reference points

Precise measuring in hard-to-reach areas

Functions

Area, volume calculation

Addition, subtraction

Continuous measurement

Distance measurement
