

Cross Line Laser  
**UniversalLevel 2 -  
Set**

Projects your ideas precisely on  
the wall

[Go to product](#)

## Key product features

- Projection of a laser cross with additional plumb points at the top and bottom
- Self-levelling, i.e. lines and points automatically align within a very short time frame and are 100% straight
- Incline function for working outside of the self-levelling range
- Three different modes to choose from: Self-levelling laser cross - Self-levelling laser cross with plumb points - Incline function
- Precise working results thanks to an accuracy of +/- 0.5 mm/m
- High-quality, bright laser diodes allow for a working range of up to 10 m
- Opening angle of 120° for long lines on the wall, even with a short working distance
- Integrated 1/4" tripod socket so that it can be easily used with accessories
- Scope of supply includes protective case so that the product can be stored easily and safely

## Other product advantages

### Comes complete with

- 1.1 m aluminium tripod
- Batteries
- Bag

**Part number:** 0603663801  
**EAN code:** 3165140898362

Cross Line Laser

## **UniversalLevel 2 - Set**

### **Technical data**

---

**Working range, laser line: 10 m**

**Working range, laser point: 10 m**

**Laser diode, laser line: 650 nm**

**Laser diode, laser point: 635 nm**

**Laser class: 2**

**Self-levelling time, typ.: 4 s**

**Levelling range:  $\pm 4^\circ$**

**Opening angle in:  $120^\circ$**

**Accuracy:  $\pm 0,5$  mm/m**

**Tripod thread: 1/4"**

**Weight: 0,46 kg**

**Battery: 3 x 1.5 V LR6 (AA)**

### **Functions**

---

Selectable laser function

Plumb function

In a set with a tripod
