

Cordless Hot Glue Gun

GluePen

The GluePen – gluing the clever way

[Go to product](#)

Key product features

- Quick and handy glue pen – doesn't clog, doesn't dry out
- Instant adhesion after a few seconds
- Ready to glue after only 15 seconds of heat-up time
- One battery charge is enough for 6 glue sticks (30 minutes)
- Sits comfortably in your hand thanks to ergonomic pen shape
- Charging with Bosch micro USB charger
- Clean working thanks to automatic glue retraction
- Gap-filling glue application even on uneven surfaces
- The Bosch glue is virtually indefinitely storable
- Energy-saving due to Auto-Off – automatic shutdown after 10 minutes

Other product advantages

- One battery charge is enough for 6 glue sticks (30 minutes)
- Sits comfortably in your hand thanks to ergonomic pen shape
- Charging with Bosch micro USB charger
- Clean working thanks to automatic glue retraction
- Gap-filling glue application even on uneven surfaces
- The Bosch glue is virtually indefinitely storable
- Energy-saving due to Auto-Off – automatic shutdown after 10 minutes

Comes complete with

- Micro USB Charger
- 4 glue sticks UltraPower

Part number: 06032A2000

EAN code: 3165140705844

Cordless Hot Glue Gun

GluePen

Technical data

Battery voltage: 3,6 V

Battery capacity: 1,5 Ah

Glue stick, diameter: 7 mm

Glue stick, min. length: 150 mm

Heat-up time: 15 sec

Gluing temperature: 170 °C

Machine weight: 0,142 kg

Functions

Quick Dry

Instant adhesion after a few seconds

Cordless use

Maximum mobility

Quick Start

Ready to glue after only 15 seconds of heat-up time

Easy Charging

Charging with Bosch micro USB charger

Functions

Lithium-ion technology

Cordless

Auto off

Softgrip

BOSCH

Invented for life
