

Cordless Tacker

PTK 3.6 LI

PTK 3,6 LI – the small, handy cordless tacker with lithium-ion technology

[Go to product](#)

Key product features

- Small, lightweight, compact – the handiest tool in its class
- No memory effect, no self-discharge: always ready for use thanks to lithium-ion technology
- Easy-to-operate Push + Release System for controlled triggering: push the tacking nose onto the workpiece and press the switch

Other product advantages

- Softgrip for safe and comfortable handling
- With charge level indicator: informs you about the current battery status
- Easy-to-load staple magazine with reload indicator
- Versatile when fixing thin materials on softwood

Comes complete with

- Metal box
- 1000 staples (type 53, length 8 mm) (2 609 255 820)

Part number: 0603968100

EAN code: 3165140601597

Cordless Tacker

PTK 3.6 LI

Technical data

Battery voltage: 3,6 V

Impacts: 30 bpm

Machine weight: 0,8 kg

Application range

11.4 staples: 4 – 10 mm

Noise / vibration information

Measured values determined according to EN 60745
Total vibration values (vector sum of three directions).

Vibration emission value ah: 2.5 m/s²

Uncertainty K: 1.5 m/s²

The A-rated noise level of the power tool is typically as follows: Sound pressure level 76 dB(A); Sound power level 87 dB(A). Uncertainty K= 3 dB.

Functions

Area of application

For use with staples
